

Roy Milton Harms

born November 21, 1932

passed away peacefully on Friday, October 16, 2020 at the blessed age of 87.

His excellent business acumen and his interest for his fellow human beings made him a successful and charismatic businessman. He had a great sense of humor and his office door was always open for everyone who had requests of any kind. He leaves behind a big void but also a feeling of gratitude for everything he has achieved for his fellow human beings, for his family, for his businesses and for Topcar.

Roy started the Topcar partnership between his family and Jolley Holding Aruba together with the Moravian Church Foundation in 1974. Throughout the many years, Roy as shareholder and Boardmember, was instrumental in the stellar growth of the automotive business of Topcar. Currently, the Topcar group has cardealer representations of Nissan, Kia, Chevrolet, Mazda, Suzuki, Chrysler, BMW/Mini, Isuzu, Honda, Hyundai and represents carrental franchises by Hertz, Dollar, Thrifty and car leasing through Uralco.

Roy was a man of God, had a great connection with the Protestantse Gemeente van Aruba and was especially proud about the relationship with the Moravian Church Foundation. His faith was felt by those around him and every action was informed by his deep faith and sincerity of heart. Roy was a true servant of God and service to humanity was his mantra. He has bequeathed his life of loving service and rich lessons to his family, friends and community. His life and light have affected us in amazing ways and his work will live on through the many lives he touched and the businesses that have emerged from his creative imaginations.

We all have good and honoring memories of Shon Roy.
Our sincere condolences go out to his family.
